### **Installation below Grade**

**For almost 40 years, Centurion Products has manufactured pre-cast stone in Middle Tennessee, shipped and installed pre-cast products internationally.**

**Centurion Products have been installed to or below grade in just about every climate imaginable ranging from Canada to Puerto Rico. Centurion Stone Products test results, in accordance with ASTM standards for freeze thaw, absorption and tensile strength, allows for installation to grade and below grade.**

**Most exterior applications see Centurion Stone installed to or below grade in order to complete the natural look which is the ultimate goal for pre-cast stone, however, Centurion installation recommendations yield to all state and local building codes.**
