Corners	80	820

*thickness, height and width dimensions may have +/- tolerance due to hand casting of product

*trimming and shaping of pieces may be required around openings as well as maintaining a level and coarsed pattern

* Certain patterns are designed by Centurion to be laid with a mortar joint-like Rubble. For those patterns, the coverage area includes the mortar joint. For patterns designed to be drystacked-like Ledge, the coverage area does not include a mortar joint
